

think

**Think EQ as your
distributor of report
tokens**

Welcome to Think EQ

We are delighted that you have chosen Think EQ to be your distributor of EQ tokens.

Here's how it works...

The portal (also called a TAP account) is your own private area where you will be able to administer your EQ assessments and generate reports.

If you are new to us, we ask that you complete our [onboarding form](#) so that we can set up your portal.

Please be advised that you must be a certified user of the EQ tool and been certified through MHS. If you would like to become certified, you can join our next course [here](#).

If you have certified through Think EQ, we will become your distributor and your portal will be opened upon successful completion of your exam.

Buying Report Tokens

How we work...

You can buy your tokens online [here](#).

The corresponding amount of tokens per purchased report will be added to your account within an hour of purchase (usually sooner).

The Think EQ office is open Monday to Thursday between 9am and 5pm.

Report tokens purchased out with the above days and hours, and at the weekend, will be added to your TAP account the next working day.

If you require your report tokens urgently, please call us on 07595 119 672.

Token Prices

Report Type	Report Price	Tokens
